ASSISTANCE GUIDELINES – Helper Stints

Each year of membership requires 3 stints from every riding member whether competing or not. These stints can be carried out at any point throughout the year or can be undertaken in each third of the year. There will be no ability to carry these hours forward; they must be performed each year you are a member and failure to do so will result in entries / membership not accepted in the following year. Members competing in the Horse of the Year Show and the XC Challenge will be required to perform additional stints.

Parents / Guardians of children who are cadet / junior members will be required to perform the hours on behalf of the child. Associate members may be able to perform their own duties in appropriate circumstances, e.g., course building / gate duty / timekeeping.

Each member will be asked for a preferred date / time to assist but if three booked sessions or attempts to book are refused then entries for affiliated shows or rallies will be suspended until their assistance session is completed. There will be no exceptions.

The Helper Co-ordinating Officer will retain details of minimum assistance sessions organised, performed and missed.

MEMBERSHIP FEES - Membership fees indicated on this form are an annual cost.
